How to use House Exchange?

House Exchange is a quick and easy website designed to bring people together who are looking to swap their home.

To use House Exchange simply visit www.houseexchange.org.uk, choose your landlord from the drop down list and register your details online. Once you have registered, your details will be approved.

We will send your details by email or post and your property will appear in our database.

When you receive your login details you can search for potential exchanges on the website.

If you have no internet access you could visit your local library or

internet café, ask a family member or friend or you can contact us and we will help you register and find matches.

Remember any information entered on the website will be available to other registered users. If you do not want people to contact you directly fill in the alternative contact details when registering.

When you have found someone to swap your home with, contact your landlord, they will then go through the procedures needed to complete your exchange.

We hope you find this service useful and wish you every success in finding your new home.
